

SKILL DEVELOPMENT PROGRAMME

CSIR-Institute of Himalayan Bioresource Technology

Palampur-176 061

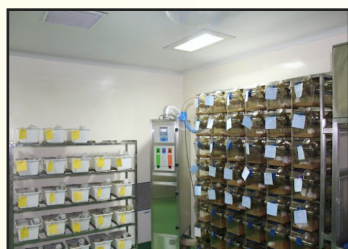

CSIR-Institute of Himalayan Bioresource Technology (CSIR-IHBT) is one of the national autonomous Institute under the Council of Scientific and Industrial Research located at Palampur. CSIR-IHBT is engaged in research and technology development programs for sustainable management of bioresources of the Himalaya. Institute has state of the art infrastructure facilities and hi-end equipments and extends research support to academic institutes, R&D organizations and Industries. The Institute has a world class analytical facility equipped with highly sophisticated instruments. The animal house of the institute houses different species of laboratory animals and is registered with CPCSEA for breeding and trade of small laboratory animals. Floriculture fields for commercially important cut flower crops are maintained at the Institute. Institute conducts various “**Skill Development Programs**” funded by CSIR, DBT/ HIMCOSTE for motivated students so as to make them competitive for employment in emerging fields of industrial importance.

CSIR Skill Initiative Training Programs:

- **Animal Breeding and Housing Practices**
- **Hands-on Laboratory Experiment and Analytical Exposure**
- **Gardener, Plant Tissue Culture**
- **Floriculturist-Protected Cultivation**

Skill Training/ Technician Training Program (Funded by DBT/ HIMCOSTE)

- **Plant Tissue Culture**
- **Quality Control Biologist**
- **Lab Technician / Assistant**

**State of-the-art laboratory
Animal Facility**

Analytical Facility

**Plant Tissue Culture
Facility**

Floriculture Field

Application procedure: Application can be downloaded from: <http://www.ihbt.res.in/en/about-us/csir-integrated-skill-initiative>) and submitted to through email to: training@ihbt.res.in. Applications received are screened based on the marks obtained in the preceding academic degree followed by interview/written test.
